Getting Started

Creating an Account

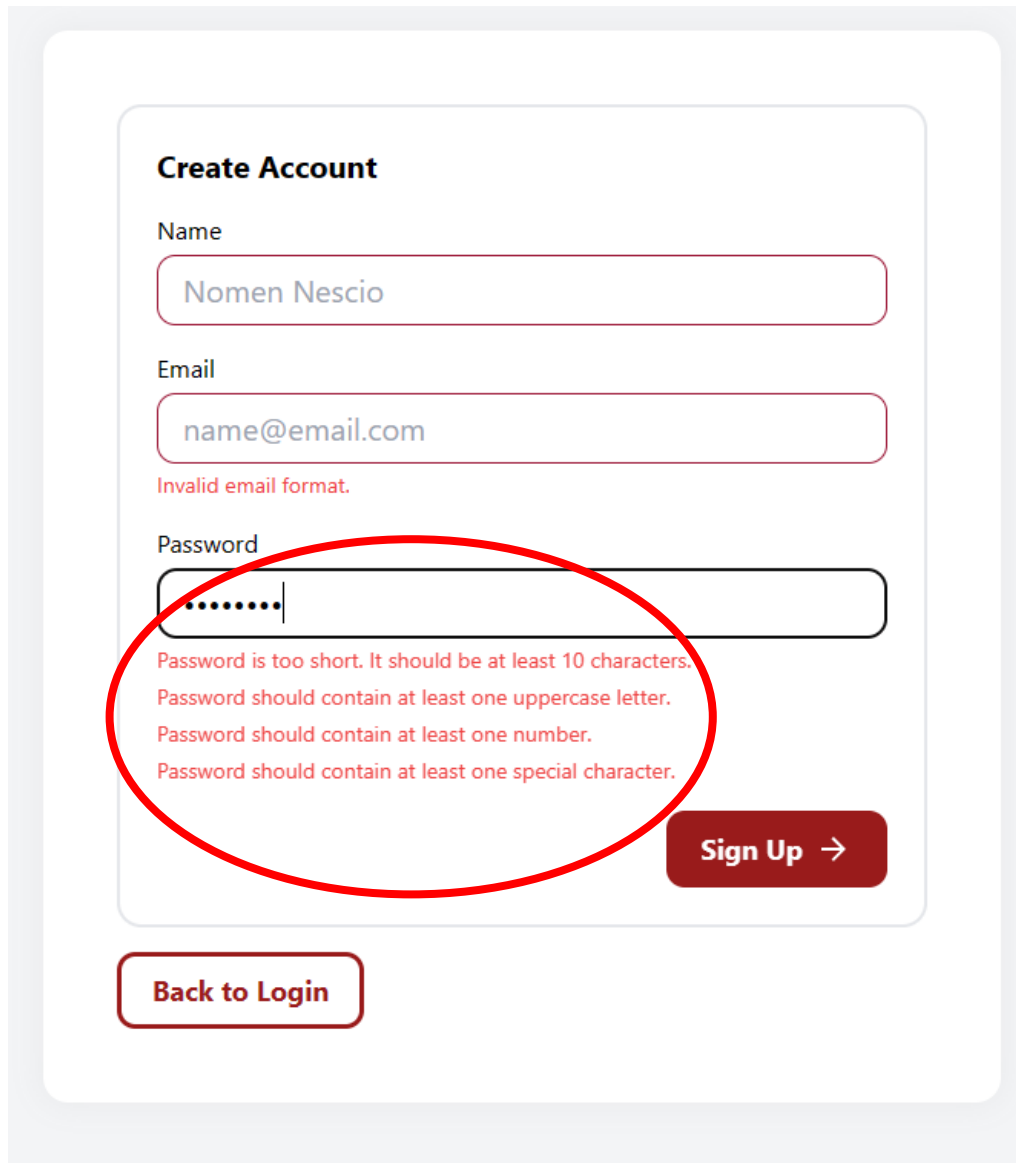

1. On the log in page, click on the option to sign up.

The screenshot shows the OpenLMS login interface. On the left, there is a 'Login' form with fields for 'Email' (containing 'name@email.com') and 'Password' (containing '*****'). Below the password field is a link 'Forgot your password?'. At the bottom of the form are two buttons: 'Sign Up' (highlighted with a red circle) and 'Login →'. To the right of the form, the text reads 'Welcome to **OpenLMS**', followed by a description: 'OpenLMS is a generic open-source education platform. Login with your account to get started.' Below this is the text 'Created at Queen's University in Kingston Ontario, Canada.' and the OpenLMS logo, which is a stylized black 'Q' with a heart shape inside.

2. On the sign-up page, enter your information into the appropriate text boxes.

3. Follow these guidelines while entering your information:

The image shows a 'Create Account' form with the following fields and feedback:

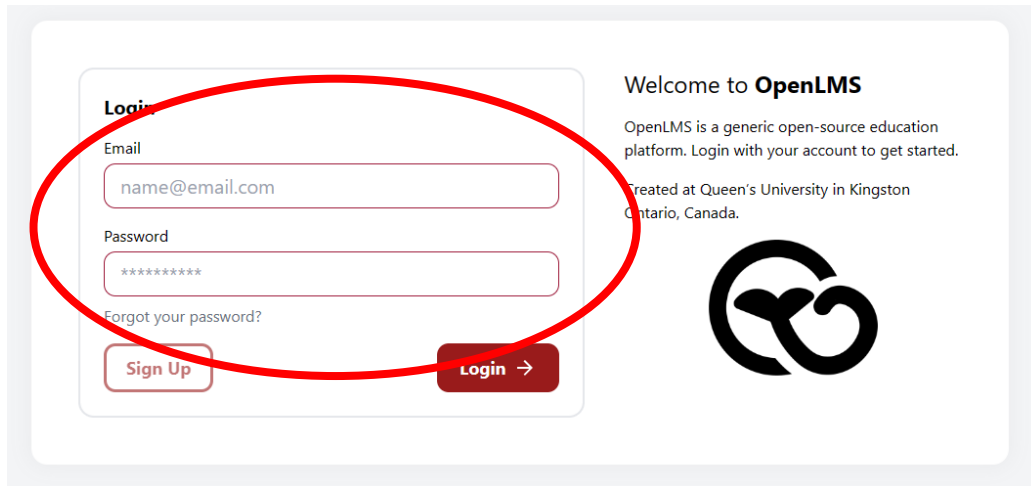

- Name:** Input field containing 'Nomen Nescio'.
- Email:** Input field containing 'name@email.com'. Below it, a red error message reads: 'Invalid email format.'
- Password:** Input field containing '.....'. Below it, four red error messages are listed:
 - Password is too short. It should be at least 10 characters.
 - Password should contain at least one uppercase letter.
 - Password should contain at least one number.
 - Password should contain at least one special character.

At the bottom right is a dark red button labeled 'Sign Up →'. At the bottom left is a dark red button labeled 'Back to Login'.

4. Click on the sign-up button to create your account.

Logging In

1. On the log in page, enter your information into the appropriate text boxes.

The image shows a login page for OpenLMS. On the left, there is a login form with a red oval highlighting the input fields. The form includes a 'Login' heading, an 'Email' field with the placeholder 'name@email.com', a 'Password' field with masked characters '*****', a 'Forgot your password?' link, a 'Sign Up' button, and a 'Login →' button. On the right, there is a 'Welcome to OpenLMS' section with a description of the platform and its origin at Queen's University in Kingston, Ontario, Canada, accompanied by a stylized logo.
